If you are on Medicare, Medicare-Part B will pay for the flu vaccine. You must bring your Medicare card with you to the clinic. Anyone participating in a Managed Medicare or Medicaid program must go to his or her primary care provider for immunization. All other persons will be charged a \$25.00 fee.

Parents should seek flu immunizations for children at their regular medical provider. If you do not have a regular medical provider for your child, call 607.778.2839 to make an appointment for your child to receive a flu vaccination.
